INVITATION TO TENDER

Mt Kasi Mineral Prospect

**Government of Fiji
Ministry of Lands and Mineral Resources
Mineral Resources Department**

The Government of the Republic of the Fiji Islands invites interested parties to tender proposals for exploration and possible development of the Mt.Kasi Mineral Prospect located on Vanua Levu, the second largest island in the Fiji Group.

Summary data on the prospect as well as the information about Fiji, its Geology, Government requirements and policies with regard to mineral exploration are available for interested parties in the tender package including the tender process.

A copy of the tender package together with historical reports on Mt.Kasi are available in digital format upon application and fee of \$USD50.00 to cover the processing of documents and mailing cost.

Applications for the tender package are to be received by August 31st 2010 and be submitted to:
